AVON CO-OPERATIVE NURSERY SCHOOL

Our co-operative has a dual purpose: to promote greater understanding by the parents in matters related to early childhood education, and to provide an excellent first school experience for the children.

Art, music, stories and motor activities are designed to stimulate the pre-schooler's perceptual, intellectual and cognitive skills. The developing of the child's large and small motor skills are advanced through the use of a variety of educational materials. Program activities and materials are chosen to help develop a sense of personal well being by:

- Encouraging creative and imaginative play
- Promoting decision making abilities
- Encouraging sharing

Program related field trips to local community businesses and events, as well as visits by members of the community, are incorporated to broaden the child's understanding of his or her world. Outdoor play is integrated daily, weather permitting.

The teachers at Avon Co-op are Registered Early Childhood Educators, who are warm and loving, with a wealth of experience, both as teachers and parents.

Active parent participation is essential in managing a successful co-operative school. **All parents/members** provide a nutritious snack for their child's class on a rotating basis. **All parents/members** are required to actively participate on one committee per family enrolled. This school belongs to the parents of the children enrolled and is governed by an executive that was elected by members at a general meeting. **These are all volunteer positions.** The teaching staff is hired to carry out the organization and supervision of the daily program, but in order to run a successful pre-school we must all work together. We look forward to your involvement throughout the year to make nursery school a rewarding experience for you and your child.

FUNDRAISING

Avon Co-operative Nursery School Inc. is financially independent. All expenses are paid through tuition fees, fundraising events and provincial support. In order to keep tuition fees as low as possible, a series of fundraising campaigns will be run during the school year. Co-operative members must raise a minimum of \$150.00 in profits, (or \$200 per family for those with two or more children enrolled) during the 10-month school year (or \$15.00 (or \$20.00) per enrolled months).

***Please Note: Fundraising Fees are paid upfront by PAP or Cheque (depending on your chosen method of payment - see next page) on July 1, 2018.** As you raise money by participating in the fundraising campaigns, you will earn back your fundraising fee to a total of \$150 (\$200 for multiple child families) which will be paid out after all fundraising campaigns for the year have been completed.

SCHOOL HOURS

Our school operates weekday mornings, 8:00 a.m. to 12:00 noon, September through June. *School holidays and closures correspond with elementary school holidays and closures, with the exception of PA Days. The nursery school closes for one professional development day per school year.*

REGISTRATION FEE

A fee of \$75 is required when applying for entrance into the nursery school. A refund of \$25 will be made to each family that is represented at 2 out of 3 general meetings (which are held during the school year), and who fulfill all of their obligations to the school (snack, fundraising, and committee work - as outlined in the school's handbook Accountability Policy). The \$75 registration fee includes a \$50 administration fee that is NON-REFUNDABLE. All fees are subject to increase.

PRESCHOOL AND TODDLER PROGRAM FAMILIES

All spots at Avon Cooperative Nursery School are non-duty in nature.
